INT. OFFICE DEN IN HOUSE - DAY

LEANA a nerdy eighteen year old girl wearing glasses and a short bright red spaghetti strap dress fusses trying to get comfortable on a brown leather Chesterfield couch.

Seated in front of her in a black button tufted chair is DR. LOVE a man in his forties. He straightens up in his seat, tapping his pen on the bright pink tie that compliments his blue Armani suit.

DR. LOVE
So you like this role play Leana?

LEANA
Yes Dr. Love.

DR. LOVE
I think it will help you understand your psychosis.

LEANA
(teasingly laughing)
You'll make me a psycho?

DR. LOVE
With the right guidance I don't think--

LEANA
I'm great thanks for asking.

Leana bounces slightly on the couch.

DR. LOVE
Dr. Love is a funny name for a psychologist don't you think?

LEANA
Only if I have to pay you.

DR. LOVE
I don't follow.

LEAN
Well I guess money can buy me love.

Dr. Love slowly crosses his legs squeaking his chair.

DR. LOVE
Do you believe in love?

LEANA

I believe you say I love you to someone instead of saying don't stop.

DR. LOVE

Don't stop?

LEANA

Whatever they are doing.

Leana bounces big on the couch with a little wicked laugh.

DR. LOVE

So you're here because of your trouble with boundaries.

LEANA

I don't have any trouble, other people do.

DR. LOVE

Like you Mom?

LEANA

My Mom doesn't know she has trouble. That's the fun of boundaries.

Dr. Love taps his pen on his tie again.

Leana crosses her legs with a wide leg swing.

DR. LOVE

And your Father? How is your relationship with him?

LEANA

It takes up to much of my time.

DR. LOVE

So your Fathers always invading your space, trying to hard?

LEANA

He's distant and I know why... but he doesn't have to be.

DR. LOVE

Oh how so?

Leanna uncrosses her legs and scrunches the front waste of her dress into a spiral.

LEANA

He's my step-Father. I came into his life just as I grew out of pigtails and into this dress. He doesn't know how to handle me.

DR. LOVE

Handle you?

LEANA

(winking)

I think you understand.

DR. LOVE

You think a lot of yourself don't you.

LEANA

Always know your worth.

DR. LOVE

And you're worth that dress?

LEANA

(laughing)

Worth more in it right now.

DR. LOVE

So do you like the dress? It was a birthday gift right?

LEANA

That's what it was called.

DR. LOVE

A stunning red dress like that, do you think that was appropriate?

LEANA

You know how gift giving goes. Most of the time when you get something for somebody close the gift is really for you, something you want.

DR. LOVE

So your Father wanted that dress?

LEANA

We'll see, Fathers day is tomorrow.

DR. LOVE

But you like the dress?

LEANA

I can't wait to take it off.

DR. LOVE

You like to tease don't you?

Leana adjust the top of the red dress pulling it down over the curve of her nubile breast.

LEANA

(giggling)

Sometimes it's so easy I can't help it.

DR. LOVE

That is why you're here, for help.

LEANA

I still have some stuffed animals in my room from when I was a little girl and last week I put them in crazy sexual positions on my bed. You haven't seen Elmo until you've seen reverse cowgirl Elmo.

DR. LOVE

(clearing his throat)

And why would you do that?

LEANA

Because he always stops and looks in my room when he walks by.

DR. LOVE

Being mischievous is a sign of intelligence.

LEANA

I'm smart enough to get what I want and he's dumb enough to know better.

DR. LOVE

When you know, you know.

LEANA

Dr. Love I gotta say if we're playing fuck, marry, kill. You're the kill right now.

DR. LOVE

What am I going to do with you?

LEANA
 (laughing wickedly)
 Well you're already married.

Leana hikes the skirt of her dress up for a peek of her pink heart panties.

DR. LOVE
 So what do you want your relationship with your Father to mean?

LEANA
 Oh I see, you shrinks and your Oedipus complexes. It doesn't have to mean anything. Sometimes you just want to have fun and learn your limits.

DR. LOVE
 And what is your version of fun?

Leana inches her dress up slowly over her smooth thighs to high on her waste smiling wickedly.

LEANA
 (sexy laugh)
 Whatever I can get away with.

DR. LOVE
 And limits?

LEANA
 (pulling her dress down in front teasingly more)
 That depends on what he can get away with.

DR. LOVE
 And do you think that is healthy behavior?

LEANA
 Oh he's in great shape, he can keep up real good, real, real good.

DR. LOVE
 I see, so you want something to happen?

LEANA
 It wouldn't be fair though.

DR. LOVE

How so?

Leana flips up the front of her dress and slowly slides a finger in her pussy around her wet panties.

LEANA

It is so hot in here I'll bet he cums in a minute.

DR. LOVE

And you think this is appropriate?

Leana sticks two finger up into her pussy and rotates them around slowly. Hear the sticky wetness and the scent of what I can do?

Dr. Love exhales a long slow breath towards the ceiling.

LEANA

(giggling)

Daddy can we stop role playing now and play? We've done this long enough I'm getting bored.

Dr. Love slowly stands up and starts undoing his pants.

DR. LOVE

Shouldn't we wait until tomorrow on Fathers day?

LEANA

Lets do it today on Daddy day.

Dr. Love stands before Leana his cock bouncing and twitching in her face as she fingers herself, her breathing getting faster as her hips start to buck.

LEANA (CONT'D)

We going to my bed this time? I've been begging, please?

DR. LOVE

Going to have to move some stuffed animals young lady.

LEANA

No, leave them.

Leana hops up from the couch with one of her breast popping and bouncing out of her dress.

DR. LOVE

Are we going to need any rules or safe words?

LEANA

If I cum five times then it's your turn.

Leana starts to slowly stroke his pre-cum dripping cock.

DR. LOVE

And a safe-word?

LEANA

Lets go with Ferrari.

DR. LOVE

Why Ferrari?

Leana takes her finger and lifts a string of pre-cum up to her lips.

LEANA

Well whatever I stop you from doing, you're gonna wanna do it real, real bad and a Ferrari is what I'm gonna need for you to keep going.

DR. LOVE

Color?

LEANA

Lets go with red again shall we.

DR. LOVE

After you please.

LEANA

Just so you know, I'm going to need this everyday now, in my bed.

DR. LOVE

What will we do with Elmo.

LEANA

I don't know but he's going to need a safe word.
