

**GEEKS VS JOCKS
FREAK VS COCK**

Written by

Parker Montgomery

INT. BROTHERS DORM ROOM - DAY

ECHO a geeky girl dressed in Keds a plaid skirt and an oversized T-shirt that reads "Worlds Okayest Sister" pokes head into her brothers dorm room through the cracked door. Her shadow jabs deep into the darkness.

ECHO

Is anyone home? Besides the angel of death. Jeez, if it wasn't for Axe body spray someone would try to bury you.

BRIAN (O.S.)

(sounding tired)

Echo?

ECHO

It smells like night old love and hotdog water in here.

Echo flips on the light while pinching her nose tight.

A naked older woman with wrinkles on their way to being named a national park hops up off the floor strewn with dirty laundry.

COUGAR WOMAN

Axe body spray! Now I know what to get you for your birthday love.

Cougar woman grabs a random football jersey shirt and yanks it over her head like a hall of famer.

COUGAR WOMAN (CONT'D)

(prancing out the door)

Todd's room's on this floor right?

BRIAN wearing boxers and a shirt that says "Property of My Hot Girlfriend" drags himself up from a volcano of laundry.

BRIAN

(groggy)

Hey Sis, what are you doing here?

ECHO

She has such kind eyes.

BRIAN

Who?

ECHO

You should put a baby in her and bring her home for Christmas.

BRIAN

My only way of getting out of sitting at the kiddy table unlike you, love child.

ECHO

You always got all the left over pie, all of it. "He's a growing boy, he's going to be a star."

Echo twists her hair with her finger and then sucks on it in the corner of her lips.

BRIAN

(snootily)

Three point one four Echo, three point one four.

ECHO

It pains my soul that half of me has to love you like a brother.

BRIAN

You run out of Animaniacs re-runs to watch? Why are you here? I got football practice freshman.

ECHO

That's exactly why I'm here, I need your help.

BRIAN

You nerdy girls need tickets to the game? Or are you gonna protest we're killing the grass?

ECHO

We've been playing our own game,

Brian lazily slips on a pair of flat flipflops and sinks onto the desk chair.

BRIAN

Soccer is not football.

ECHO

Well it's a good thing you're sitting down.

BRIAN

Well I'm not loaning you any money, ask Daddy.

Echo strolls like a detective around the room picking everything up and tossing it back down out of place, kicking dirty laundry out of the way.

(pause)

ECHO

I can't believe I'm saying this
right now but--

BRIAN

Still not giving you money. Cry
some geek tears, put a Harry Potter
spell on me I don't care.

ECHO

I need your knowledge! There I said
it.

BRIAN

You, want to be a communications
major?

ECHO

That's totally it. Fifth year
senior and you've finally out
brained me instead of out Brianing
me.

BRIAN

I'll sneak your little friends into
the game fine.

ECHO

Well it is homecoming so you might
actually win.

BRIAN

I used to pee in your Drink and Wet
doll.

Echo strides up to the dresser mirror and ties her T-shirt into a knot between her bust accentuating the voluptuous size of her still growing breast.

She combs her hand through her hair exposing enough underboob to kill men over eighty.

Brian gets caught glancing in the mirror bring a Mona Lisa smile to Echo's face.

Echo spins around.

BRIAN (CONT'D)

C plus.

ECHO
 (smiling wickedly)
 The chess club has been playing
 truth or dare. And one of us has to
 do the deed-- The dare that's all.

BRIAN
 I'll let one of you nerd friends
 run on the field, but I get to
 tackle them.

Brian drags himself up out of the chair and starts throwing
 the dirty clothes Echo has kicked around into a corner.

Echo resumes her detective walk tipping his room even more of
 kilter.

ECHO
 One of us has to be with a football
 player.

BRIAN
 (laughing)
 A date?

ECHO
 Well--

BRIAN
 A geek date a football player? You
 need to go back to math class nerd.
 You can't punk me.

ECHO
 Well a nerd took a dare to fuck a
 football player. No date, just
 straight up fuck, fuck, Fuck,
 Fornication!.

BRIAN
 Whoa, who are you now?

ECHO
 Echo the ghost of Geekmas present.

BRIAN
 Sex with an athlete? You girl nerds
 couldn't even get on the field.

Echo kicks up a pair of Brian's stiff boxers and finger
 slingshots them at his head.

ECHO
All the bravado and longs bombs Oh
my.

BRIAN
Offsides, so I have a free play.

ECHO
But you're always called for
offensive pass interference, every
time. Back it up, back it up.

BRIAN
I'd never punt!

ECHO
Safety!!
(pause)

BRIAN
Well an athlete would never go for
a nerd.

Echo poses a runway stance with her hands on her hips.

ECHO
We may dress like this but we've
got a lot going on underneath.

BRIAN
There's only one Billie Eilish.

Echo kicks a dirty shirt at brother.

ECHO
We need the football player with
the biggest cuckoo.

BRIAN
The what?

ECHO
You know "The Sweetener, The Lord
Hardwick"

BRIAN
What the actual fuck is happening?

ECHO
Exactly!

BRIAN
I'm in one of those ant holes you
nerds travel it.

ECHO
Just need the biggest
Nebuchadnezzar. Or the spelling
limited my go with the term Cock.
The dare is to fuck a football
player with the biggest cock.

Brian shakes his head looking up at the ceiling covered in
poster of cars and beer girls.

BRIAN
Length or girth?

Echo steals a look at the front of Brian's boxers.

ECHO
We need the master of ceremonies.

BRIAN
Oh my God you're insane.

ECHO
Well you shower with all of the
Belly-ruffians so we figured you
would know.

BRIAN
Have you even seen a cock? One
that's not a hologram or on an
alien?

ECHO
Just text me the nudes.

BRIAN
I can't take pic of guys junk in
the locker-room!

ECHO
Look at that, a football player
intimidated by a nerd girl.

Echo twirls her hair with her finger.

BRIAN
Now I know you're all zombie sex
geeks.

ECHO
You might have to say something
intelligent.

Brian runs his hand through his hair at the dresser mirror.

BRIAN

Thought you didn't want us for our brains? You're the cosplay kids.

ECHO

I saw you staring at my friend dressed as Velma Three Halloweens ago math genius. Eyes fell out of your head.

(pause)

BRIAN

Have her dress as a cheerleader.

ECHO

Aren't you the comical-con.

BRIAN

Whatever happened to Strawberry Shortcake?

ECHO

Geeks like to fuck too.

Brian turns towards his bed, then quickly spins facing the wall.

BRIAN

Oh my God stop.

ECHO

Are you going to help us or not.

Brian turns around slowly with his hands in the air.

BRIAN

Why the hell not, for science right? If one of your friends want to step onto the field why not.

ECHO

We refer to it as the dark side.

BRIAN

By the way Santa isn't real.

ECHO

All I ask is that he's the biggest. That's why I'm coming to you. You would know more than anybody else.

BRIAN

You had better still be a virgin. I mean it or I'm telling Mom.

Echo straightens her hillbilly bikini, her full breast peaking and jiggling with underboob.

ECHO
Still got my V-card promise.

BRIAN
Oh my God. There's a party tomorrow night at Alpha house. Show up at ten and have her go to the room at the top of the steps. I'll have a guy there.

ECHO
Not just any guy I need the king belly -ruffian.

Echo smacks her hands together smiling.

BRIAN
(laughing)
I'm sure she'll think twice and run.

ECHO
S the D first or get straight to the deed?

BRIAN
(pointing to the door)
Oh my God just go. GO!

Echo tugs her shirt tight in front smiling tripping over laundry to the door.

ECHO
Is Todd's room on this floor?

BRIAN
GO!!!!!!

ECHO
(best George Takei impression while laughing)
OH MY!

Echo flicks off the light giving a model wave as she runs out the door.

INT. BEDROOM - NIGHT

A person in a trench coat and ballcap steps into the barely lit bedroom then slams the door quieting the cheering crowd.

FOOTBALL PLAYER

I didn't think you'll show. Let's see what kinda geek cake the nerds sent me.

The player reaches down and turns a lamp on.

BRIAN

You!! Ha, ha I've been punked, you got me.

The girls flips her ballcap onto the bed and shakes out her hair flipping it up revealing--

ECHO

You didn't even change your cloths.

BRIAN

Nice cheerleader outfit.

ECHO

I went with something a little more nostalgic.

Echo rips open her trench coat flinging it to Brian.

He bats it away from his face.

ECHO (CONT'D)

Remember this?

BRIAN

Holy shit!

ECHO

You like it don't you.

BRIAN

Well it doesn't fit.

Echo lunges a big step towards Brian with her hands on her hips.

She is standing proud wearing the tiniest bikini a woman with her voluptuous figure could have on without getting arrested.

BRIAN (CONT'D)

The top only covers your nipples.

ECHO
Santa Claus isn't real.

BRIAN
Mom finally let you go to the store
to buy candy by yourself and you
snuck out in that.

ECHO
Grounded two weeks 'cause you told
on me. And now it looks like you're
in trouble.

BRIAN
Oh there's now way.

ECHO
Well the master of ceremonies in
your shorts tells me other wise.

Brian quickly covers up his growing Lord Hardwick with his hands.

ECHO (CONT'D)
And the crowd of disappointed
partiers when I strut out of this
room and let them know that--

BRIAN
You wouldn't dare.

ECHO
Oh but you see I did dare remember.

Echo pinches the small bikini top on her nipples and pulls it up and off for a seconds then snaps it back down.

BRIAN
How is that still on?

ECHO
Good thinking.

Echo rips the bikini top apart in the middle, slips it off and throws it at Her step-brother.

ECHO (CONT'D)
You thought I was a C student, but
I'm actually a double D.

Echo lifts one of her breast up to her mouth and flicks her hard nipple with her tongue before sucking on it hard.

BRIAN

Oh my God what is happening.

ECHO

I knew you'd be the one that would be here, you've been watching me for years.

BRIAN

No I--

ECHO

I'd get the pussy tickles and get so wet when I knew you were stealing glances.

Echo slides her hand into her bikini bottoms and pulls out a wet finger which she slowly swirls with her tongue and sucks on.

ECHO (CONT'D)

Probably since the day I outgrew SpongeBob.

Brian jerks his hand up to his forehead to wipe the sweat and the head of his cock slips out the bottom of his shorts.

ECHO (CONT'D)

Would you look at that. I always knew you'd be standing here.

Echo does a stripper walk up to Brian as he lets out a long slow breath.

ECHO (CONT'D)

We used to take bathes together remember? I could tell even back then...

Echo reaches up into his shorts and yanks down with a firm grip.

ECHO (CONT'D)

That this was going to be the only cock I will ever want.

Echo lifts up a breast with one hand and swirls her nipple with her tongue as she starts stroking his engorged cock as precum starts to drip out down to the floor.

Brian starts to moan as his cock starts to twitch and pulse.

ECHO (CONT'D)
I never did get a straight answer S
the D or straight to the deed?

BRIAN
S the D, S the D, please S the D.

Echo twisty pulls a string of precum up to her full red lips
and sucks it in.

ECHO
I love that. More of a show.

BRIAN
(starting to breath heavy)
A show?

ECHO
See that iphone on the dresser?
It's recording everything we do so
the crowd downstairs can watch.
Sorry that was part of the dare
too.

Echo pulls and strokes his cock with a vengeance twisting her
palm around the head with each long stroke for the sticky
precum slickness

CROWD (O.S.)
GEEKS! GEEKS! GEEKS! GEEKS!
