

GUILTY WITH A VIEW

Written by

Parker Montgomery

INT. HIGH RISE HOLET ROOM - NIGHT

LIZ classy woman dress in a business skirt suit and barefoot sways in front of a window overlooking New York City

Her reflection double exposed with city lights on the glass.

LIZ

Layover in NYC, can you believe it?

AMY a woman in an almost identical outfit darts barefoot out of the bathroom.

AMY

Well its to cold to go out and do anything I'm a freeze baby.

Liz presses up against the window looking down.

LIZ

Come on we're in a city that's alive for once.

AMY

Getting mugged when your cold is too alive for me.

LIZ

Let's at least go make snow angels, I haven't done that since I was a kid.

Amy steps up to the window pressing her finger against the glass then pulling it back quickly.

AMY

Jammies and extra covers for sure.

LIZ

I suppose you want to watch the Hallmark channel for your Christmas movies again? I swear Lacey Chabert is the devil.

AMY

We could go over the briefs one more time.

LIZ

If we're not going out, why don't we order room service? A couple of rare Porter houses, a Dominus cab?

AMY

Well done with some milk please and
see if they have any beets.

Amy strolls to her suitcase on the chair next to the window
and starts picking put jammies.

Liz pics up the phone and orders.

LIZ

--one rare and one Medium-rare.

AMY

Hey!

LIZ

You have to live a little.

AMY

Thank you for ordering cheese cake
by the way.

LIZ

A little decadence is good for the
soul.

AMY

But that wine you ordered is going
to go straight to my head a make me
totally silly.

LIZ

Would want anything to ruin your
killer shark lawyer reputation.

Amy flings a pajama top up and onto a bed.

AMY

I could make Johnny Depp weep on
the stand.

LIZ

I know the real you miss knits
sweaters for kitten at the animal
shelter.

Liz strides over to a desk and flips open a file folder that
is sitting on a briefcase.

LIZ (CONT'D)

We should get a guilty verdict
quick when the jury gets the case.

AMY

I don't. I think reasonable doubt
might have been established.

LIZ

Reasonable doubt? Did you watch the
video they were in bed together.
Really, really, really in bed
together.

Amy steps in front of the window staring at her own
reflection.

AMY

I just don't see it.

LIZ

See it? She's so guilty you could
almost taste her watching that
video.

Amy spins around toward Liz with a wide-eyed smile.

AMY

I'll save my taste for cheesecake
thank you.

LIZ

How many times did you watch it?
She's guilty.

AMY

Fifty two...

LIZ

Fifty two?!

AMY

I just don't see how a woman can
get sexual pleasure if it's not a
man that's-- I'm not against it
certainly, it's just not for me.

LIZ

You mean you've never?

Amy just her hands to her hips with a little sway.

AMY

No, and I'm not on trial here.

Liz points a tisk, tisk finger at Amy.

LIZ
 You forget I used to date your Tad
 and he's pretty good at--

AMY
 Not with a woman. With a woman
 counselor.

LIZ
 (arms wide in the air)
 You went to Wellesley College for
 Gods sake.

AMY
 What?

LIZ
 It's all girls! You were on the
 soccer team AND the golf team.

AMY
 I studied a lot and graduated Magna
 Cum Laude.

LIZ
 I think thee protest to much and
 you graduated Magna Cum Naughty.

AMY
 I'm eating my cheesecake first.

Amy spins playfully towards the window and the city lights.

LIZ
 I'll bet you do.

AMY
 (spinning back around)
 Hey!

LIZ
 Your honor I think we need to
 circle back to the fact that she
 watched the video fifty two times.
 Ladies and gentlemen of the jury
 lets all let that sink in, fifty
 two times.

AMY
 I was just curious.

Liz swings a pretend gavel down in the air.

LIZ
Guilty as charged!

AMY
Curious to see if the smile on her face were a sign of guilt. Was it a smile of passion or convenience.

LIZ
I think that smile on your face now is a smile of convenience.

AMY
Fine I was curious.

LIZ
(bowing)
You may now eat your cheesecake first.

AMY
Maybe curious but like a science experiment.

LIZ
There is that famous pic of Einstein sticking his tongue out.

AMY
Well now that it's in the hands of the jury, if I did try something, it would have to be with someone I know and trusted. And if Tad ever found out...

LIZ
Well if you told me this morning I'd be laid over stuck in New York City and about to be Eskimo sisters with 'ol Tad I'd--

AMY
Oh no I didn't mean you, not at all.

LIZ
I think I'm eating your cheesecake.

AMY
Oh don't get me wrong you're very attractive.

Liz starts to glide slowly towards Amy.

LIZ

I'm sorry now I'm eating a whole
cheesecake, making me watch my
figure.

AMY

I just meant that--

Amy glance out the window to escape a moment of the building
sexual tension.

LIZ

We've graduated from studying to
now you think your best friend is
attractive.

AMY

Well you know you are.

LIZ

Which part?

Amy tries to hide a quick glance up and down Liz's sensuous
body.

AMY

What do you mean which part?

LIZ

You've been steeling looks, you
know, you defiantly know.

AMY

All the parts.

LIZ

How about your favorite.

AMY

Uh...

Liz sexually moves right up to Amy, brushing up against her
cheek and whispers in her ear.

LIZ

(grinny wryly)

I think your mind has been racing
ever since you watched that video.
I think it's been driving you crazy
how good my tongue would feel
slowly flicking your clitty.

Amy nervously looks down.

AMY

I uh...

LIZ

There is something you should know though.

AMY

I already know your bi.

LIZ

With my tongue...

Amy's breathing begins to quicken as Liz turns almost lip to lip.

LIZ (CONT'D)

I'm much better at it. Much, much better at it.

AMY

But I can't...

LIZ

Oh but I know you can.

AMY

No, I can't stop thinking about it.

LIZ

I'll bet your wet right know.

AMY

Every time you've left the room on this trip I've had two fingers in my pussy and rubbing my clit. I cum so hard.

Amy suddenly jumps a bit taking in a gulp of air as Liz starts to circle a finger around Amy's nipple poking through her blouse.

LIZ

I'm going to use three, all the way up in. Your back is going to arch with each shudder, with each wave. That sound like fun Hon.

AMY

I'm so wet it's running down my leg.

Liz slowly reaches her hand up Amy's skirt.

AMY (CONT'D)
(sensually breathing
heavy)
Aren't you going to kiss me first?

LIZ
After I kiss your sweet pussy. I
want you to taste what I taste. You
like that?

Liz slips two fingers in Amy's pussy. Amy takes in a quick
breath and stand up on her tippy toes.

LIZ (CONT'D)
Aren't you going to be fun.

AMY
(breathing fast and
sensually)
Guilty your honor.

LIZ
Are we going to record this for the
jury?

AMY
We are going to record this for me.
